

Strawberry Rhubarb Quinoa Porridge

6 servings

Strawberries are an excellent source of vitamin C and a good source of potassium. Store strawberries in the refrigerator, rinse under running water just before eating.

- 2 ¼ cups water, divided
- 2 cups rhubarb (fresh or frozen), scrub fresh rhubarb with clean vegetable brush under running water, chopped
- 1 cup strawberries (fresh or frozen), gently rub fresh strawberries under cold running water, chopped
- 1/3 cup quinoa or whole grain hot cereal of choice
- ¹∕₂ teaspoon ground cinnamon
- ¹/₄ cup sugar
- 1 teaspoon vanilla
- 1 Tablespoon corn starch
- Vanilla yogurt (optional)

- 1. Wash hands with soap and water.
- 2. In a medium saucepan, combine 2 cups water, rhubarb, strawberries, quinoa, and cinnamon. Bring to a boil over high heat, then reduce heat to maintain a simmer. Cover and cook about 25 minutes or until the quinoa is tender.
- 3. Stir in sugar and vanilla.
- 4. In a small bowl, whisk cornstarch with the remaining ¼ cup water. Stir into the quinoa mixture, return to a simmer and cook, stirring constantly, for 1 minute.
- 5. Serve warm, or refrigerate until cool.
- 6. Top with vanilla yogurt, if desired.
- Make Ahead Tip: Prepare porridge (Steps 1-2), cover and refrigerate for up to 2 days. Add topping (Step 3) just before serving.
